

### Part Number Construction Chart

| ASSEMBLY LENGTHS | L1* | L2  | L3  | L4  | L5  | L6  | L7  | L8   |
|------------------|-----|-----|-----|-----|-----|-----|-----|------|
|                  | 6"  | 12" | 18" | 24" | 36" | 48" | 96" | 120" |

**CUSTOM LENGTHS: CONTACT FACTORY**  
 \*Not available in shielded version as standard assembly.

TO CONSTRUCT PART NUMBER, MATCH LENGTH "L" WITH ASSEMBLY NUMBER

**EXAMPLE:** If you require assembly part number 17401- and you want it to be 36" long -- your part number would be **P/N 17401-L5**
